

## Week 5 Term 4

**Another fun packed week!**

**We have worked very hard this week building on our knowledge and understanding of the world around us.**

**We have taken part in many different activities, workshops and had an amazing trip this week.**

**The classes have also shared stories, adventures, explored pop art and celebrated with 2 lots of birthday cake!**

**We learnt all about how a plane works and how they are looked after.**

**We have learnt about fractions in Math's, explored floating and sinking in Science, applied our prior learning to our writing.**

**We look forward to seeing what next week brings.**
